

## Vaccinations - charging patients

The practice charges for the following vaccinations:

please note: all fees are to be paid in advance of appointments being booked to administer the vaccinations

### [NHS Choices Travel Vaccination Information](#)

Vaccination	NHS	Private (£15)	Nurse time (£20)
<b>Cholera</b> Usually provided free, but does depend on travel destination whereby a private prescription applies	✓	✓	✓ (if private prescription)
<b>Gardasil</b> Patients are entitled to the vaccine due to age, or where there may be a clinical indication that the patient should receive the vaccine. We <b>do not</b> provide Gardasil privately (the patient must contact a private clinic)	✓		
<b>Hepatitis B (for travel purposes)</b> Private prescription		✓	✓
<b>Japanese Encephalitis</b> Private Prescription		✓	✓
<b>Meningitis ACWY (for travel purposes)</b> Private prescription		✓	✓
<b>Meningitis B (babies)</b> If non-NHS entitled, a private prescription will be issued. Dr Mills has agreed to issue the prescription and administer the vaccine free of charge. Parents will only pay for the vaccine at the pharmacy		✓ but no charge	
<b>Rabies</b> Private Prescription		✓	✓
<b>Tick-Bourne Encephalitis</b> Private Prescription		✓	✓
<b>Tuberculosis</b> Patients have to attend a travel clinic <a href="#">Nomad Travel Clinic - Bristol</a> - 01341 555 061 (other travel clinics are available)			
<b>Yellow Fever</b> Patients have to attend a travel clinic <a href="#">Nomad Travel Clinic - Bristol</a> - 01341 555 061 (other travel clinics are available)
